13	Application Document Checklist (This sheet)	

- Please use the above checklist to do a final confirmation of the required application documents. After confirmation, please mail this sheet together with your submission documents (please arrange the application documents in the order 1 to 15).
- Concerning the Statement of Research Achievements, please attach one copy each of the documents including your academic papers.
- Those who have undertaken the application eligibility examination can omit the documents that overlap with the application eligibility examination application documents.
