

Examination Voucher

	Spring enrollment (2024)
	Fall enrollment (2023)

Please check ✓ the term in which you wish to enroll.

Applicant ID Number	※		
Program	Master's Degree Program	Division	Enter (fill in) only for the Aerospace and Marine-System Engineering or the Science and Engineering for Materials, Chemistry, and Biology divisions
		Department	
(If possible, here in Katakana)			
Full Name			

Notes

- On the day of the examination, please make sure to bring this voucher and writing utensils.
- Information about the examination rooms will be posted at Shirasagi Gate, Nakamozu Gate and B4 Building of the Nakamozu Campus from 13:00 on the day before the examination until 17:00 on the day of the examination. The information will also be posted on the website of the graduate school of engineering [https://www.omu.ac.jp/admissions/g/exam_info/graduate/gs_eng/].
- Applicants must enter the examination room 15 minutes prior to the start of the examination.
- Late arrivals of up to 30 minutes will be admitted after the scheduled start of the examination. If you are late, enter the examination room and follow the instructions of the proctor of the venue. The allotted testing time, however, shall not be extended in any cases. In case that the delay is caused by exceptional circumstances mentioned below, late arrival up to 60 minutes and extension of examination time may be permitted. Please contact the Admissions Office.
 - More than 30 minutes delay by suspension of the public transportation such as train, subway, bus, etc. (which operates according to timetables only) by the accidents.
 - The delay by unexpected accidents, injuries, diseases on the way to the venue.
- If you fail to take any of the examination subjects, your application will be declined. (Including the submission of the certificate of an external English examination)
- Electronic devices like cellular phones, smartphones, wrist watches with information access functions must have their alarms turned off and be powered down before entering the examination room. They should be placed in a person's bag along with other items, and the bag should be placed under the person's chair. If a person is carrying these items without putting them into their bag during the examination, this could be considered as cheating.
- Use of a non-programmable scientific calculator:

For the Division of Aerospace and Marine-System Engineering (Aerospace Engineering and Marine System Engineering), and the Division of Science and Engineering for Materials, Chemistry and Biology (Chemical Engineering), you may bring and use a non-programmable scientific calculator (battery-powered).

Those who choose some of elective subject of the division of Urban Engineering (Architecture and Building Engineering/Urban Design and Engineering) may bring and use a non-programmable scientific calculator (battery-powered).

For applicants of the Division of Science and Engineering for Materials, Chemistry and Biology (Chemistry and Bioengineering), a non-programmable scientific calculator will be provided.

For details, please refer to the Examination Subjects in the Admission Guidelines.

Please use this form.

Leave blank the field marked with "※".

If hand-written, ensure that all forms filled are written with a black pen or a ballpoint pen (erasable pens are not acceptable).

Please submit a printed form (one page, one-sided printed on A4- or letter-sized paper, black and white is acceptable). You can change the text font size and line spacing in the input area.
