

Termination of the Joint Guarantee System for Apartments

When international students have difficulty finding a joint guarantor for moving into an apartment, Osaka City University, Osaka Prefecture University, and Osaka Metropolitan University (hereinafter referred to as "OMU.") have acted as your joint guarantors.

As of March 31, 2023, the joint guarantee system (institutional guarantee) based on Comprehensive Renter's Insurance for international students "Ryuhosyo", will be terminated.

From April 1, 2023, as OMU will no longer provide a joint guarantee system, please use a private guarantee company designated by a real estate company, or a guarantee company recommended by universities, *Global Trust Networks Co., Ltd.

However, for apartments that are occupied by March 31, 2023, which OMU already acts as your guarantor, University will continue joint guarantee system until you move out or graduate, including renewal, as long as there are no changes to the contract.
