

To those who have completed the enrollment procedures for the (Spring 2026 Entrance/English Course)

From April 1, 2026, you will be a student of the Graduate School of Science. Please refer to the following information regarding the schedule before enrollment.

1 .Confirmation of the "New Student Navi" (Released in March 2026)

New student handouts and information will be posted on the "New Student Navi" on the university website.

*It is not the "New Student Navi (simplified version)" currently posted.

Please be sure to check the course book, timetable, and other information related to enrolling, as well as the procedures you need to complete before the curriculum orientation.

In addition, we will contact you again by email around March. **If you have changed your email address from the one you registered at the time of enrolling**, please notify the Graduate School of Science Educational Affairs (kyik-sci@ml.omu.ac.jp).

New Student Navi

2 .Curriculum Orientation (attendance required) 4/2 scheduled

The Graduate School of Science (by major) Curriculum Orientation will be held in early April 2026.

Important matters for students enrolled in the Graduate School of Science will be explained, so please be sure to attend. For details, please refer to the materials on the New Student Navi to be released in March 2026.

In addition, you will need to complete the procedures for using the information system before the day, so please be sure to check the information on the New Student Navi and complete your preparations before the Curriculum Orientation.

3 .For International Students

Housing information can be found on the website below.

Application details for FY 2026 will be posted here in early March.
