

Osaka Metropolitan University Recruitment Guidelines for Full-time Faculty Members

**[Department of Applied Biological Chemistry, Graduate School of Agriculture /
Department of Applied Biological Chemistry, Faculty of Agriculture,
Institute of Agriculture]**

June, 2025

**Osaka Metropolitan University
Personnel Committee**

We are pleased to announce an opening for a full-time faculty position at Osaka Metropolitan University. We welcome applications according to the following.

1. Number of Positions Available

One Associate Professor (female)

2. Affiliation

Department of Applied Biological Chemistry, Graduate School of Agriculture/
Department of Applied Biological Chemistry, Faculty of Agriculture,
Institute of Agriculture

3. Area of Research

Bioactive Natural Product Chemistry (Education and research on the isolation, structural elucidation, biosynthesis, mechanisms of action, and applications of naturally occurring bioactive organic compounds.)

4. Content of job information (tentative)

[Education]

Responsible for class subjects (tentative)

<Undergraduate>

Organic Structure Analysis, General Principles of Applied Biological Chemistry, Laboratory : Bioorganic Chemistry, Laboratory : Synthetic Organic Chemistry, Scientific English A for Applied Biological Chemistry, Scientific English B for Applied Biological Chemistry, Graduation Research, etc.

<Graduate School>

Topics in Applied Biological Chemistry B, Scientific Presentation for Applied Biological Chemistry, Applied Biological Chemistry Seminar 1A・1B・2A・2B, Research Project in Applied Biological Chemistry 1A・1B・2A・2B, Topics in Bioactive Natural Products, Research Project in Advanced Applied Biological Chemistry 1A・1B・2A・2B・3A・3B, etc.

*Also responsible for providing corresponding education to any students of Osaka Prefectural University if enrolled.

[Research]

Promotion of Research, and domestic and international dissemination of research results, in the above-mentioned Area of Research.

[Other than above]

- Assignment on university operations

[Change range]

- Within the scope of education, research, and university management and operations

5. Scheduled Date of Appointment

April 1st, 2026

6. Terms of Appointment

Full-time (No fixed term)

7. Compensation

The system of University Public Corporation Osaka will be applicable.

<https://www.upc-osaka.ac.jp/regulation/>

8. Work location

Osaka Metropolitan University, Nakamozu Campus

[Change range]

A workplace designated by a corporation

9. Qualifications

All applicants must meet the following criteria:

- (1) Those who are female and have a doctoral degree
- (2) Those who are capable of specialized and basic education in the field of applied biological chemistry at graduate schools and undergraduate schools, and who can provide research guidance.
- (3) Those who are able to give lectures and research guidance in Japanese.
- (4) Those who have the ability and enthusiasm for university management and management-related duties.
- (5) Those who do not fall under the disqualifications stipulated in Article 9 of the School Education Act.

10. Application Materials

- (1) Curriculum vitae (Use Form 1 dedicated to the Graduate School of Agriculture.)
 - (2) Publication and other Research achievements. (Use Form 2 dedicated to the Graduate School of Agriculture.)
 - (3) One copy each of up to 5 major publications (photocopies are acceptable.)
 - (4) A summary of the submitted publications (Within one A4/letter-size page all together, no format required.)
 - (5) Research summary (Within two A4/letter-size page, no format required.)
 - (6) Post-employment aspirations regarding education and research (Within one A4/letter-size page all together, no format required.)
 - (7) Post-employment aspirations regarding social contribution and university administration (Within one A4/letter-size page all together, no format required.)
 - (8) Names and contact information of two reference person.
 - (9) any other noteworthy information, if applicable (no format required.)
- * Documents should be A4 or letter size, printed on one side, and write your name on each document.

11. Submission Deadline

All materials must be received by July 31st, 2025 (Japan Standard Time.)

12. Selection Process

- (1) First round selection (Screening of documents)
 - (2) Second round selection (Interviews, etc. to be conducted as necessary)
- * Any expenses incurred for interviews, etc. shall be borne by the applicant.

13. Submission of Application Documents

- Please submit your application documents from the URL below.
<https://logoform.jp/f/pnHey>
 - Please combine the application documents into one zip file and name the zip file "251000-004+Name". It is not necessary to set a password.
- * Personal information provided in the submitted documents will be used only as materials for faculty recruitment and selection, and will be handled appropriately in accordance with the Personal Information Protection Law.

14. Inquiries

Inquiries about open recruitment:

Headquarters Secretariat Human Resources Strategy Department Human Resources Strategy
Division, Osaka Metropolitan University
Tel: +81-6-6967-1824 (Direct)

Email: gr-jinji-jim [at] omu.ac.jp

*Please change [at] to @.

Inquiries about areas of research:

Department head: Prof. Yoshiyuki Watanabe

Department of Applied Biological Chemistry, Graduate School of Agriculture, Osaka
Metropolitan University

Tel: +81-72-254-9459

Email: y.watanabe [at] omu.ac.jp

*Please change [at] to @.

15. Other Information

This position will be applied as a faculty member working at Osaka Metropolitan University established by University Public Corporation Osaka.

Based on the philosophy of ensuring diversity and internationalization, Osaka Metropolitan University actively recruits female faculty members and foreign faculty members if their fields of specialization match and they are recognized to have equivalent educational and research achievements.
