

Lecturer or Tenure-Track Assistant Professor International Open Recruitment
[Department of Environmental Sciences and Technology, Graduate School of
Agriculture /
Department of Environmental Sciences and Technology, Faculty of Agriculture,
Institute of Agriculture]

June 8, 2026
Osaka Metropolitan University
Personnel Committee

Osaka Metropolitan University is seeking applications for a Lecturer or Tenure-Track Assistant Professor. Our tenure-track program offers a career path by which young scientists can accumulate experience in both scientific research and education. They may eventually be acknowledged as a tenured faculty through careful evaluation of performance and accomplishments at the end of a five-year employment period.

If you are interested in applying, please read the following information:

1. Number of Positions Available

Lecturer or Assistant Professor (Tenure-track Assistant Professor): 1 position

If appointed as Assistant Professor, the position will be a tenure-track appointment.

2. Affiliation

Department of Environmental Sciences and Technology, Graduate School of
Agriculture / Department of Environmental Sciences and Technology, Faculty of
Agriculture, Institute of Agriculture

3. Area of Research

Environmental Engineering in Biological Production (education and research on improving the efficiency of agricultural production, including farm operations, through sensing technologies, data integration, and the development of production management systems, based on engineering and informatics approaches to agricultural production systems.)

4. Content of job information (tentative)

[Education]

<Faculty of Agriculture>

Instrumentation Technology, Measurement Engineering, Bioproduction Environment and System Engineering, English for Environmental Sciences and Technology, Basic Practice in Environmental Sciences and Technology A and B, Advanced Practice in Environmental Sciences and Technology A and B, Special Seminar 1 and 2, Research Program in Environmental Sciences and Technology, First Year Seminar, etc.

<Graduate School of Agriculture>

Topics in Environmental Engineering in Biological Production, Research Project in Environmental Sciences and Technology A, B, C and D, Seminar in Environmental Sciences and Technology A, B, C and D, Applied Seminar in Environmental Sciences and Technology, Applied Project in Environmental Sciences and Technology, etc.

*Also responsible for providing corresponding education to any students of Osaka City University or Osaka Prefecture University.

[Research]

Promotion of Research, and domestic and international dissemination of research results, in the above-mentioned Area of Research.

[Other than above]

Social contribution and management operation of the university

[Change range]

- Within the scope of education, research, and university management and operations

5. Scheduled Date of Appointment

April 1st, 2027

6. Terms of Appointment

Lecturer: Full-time (No fixed term)

Assistant Professor: Full-time (Five years)

Tenure-track assistant professors who have shown excellent research achievements and competency in teaching/supervising students may be promoted to tenured Associate Professor or tenured Lecturer after a final evaluation at the end of the 5th year of employment. A safety-net provision will allow Tenure-Track faculty members to remain employed for up to 3 years in the case they fail to be promoted at the time of the 5-year evaluation.
