

SUPRA CERAMICS

Frontier of Inorganic Materials Driven by Molecular Sciences

“Supra-ceramics via solution processing”
International workshop in Alghero, Italy
11-12 December

List of invited speakers

Galo Soler-Illia (Universidad Nacional de San Martín, Argentina)

Nicola Pinna (Humboldt-Universität zu Berlin, Germany)

Beatriz Julian-Lopez (Universitat Jaume I, Spain)

Maria Francesca Casula (University of Cagliari, Italy)

Plinio Innocenzi (University of Sassari, Italy)

Luca Malfatti (University of Sassari, Italy)

and more....

Hybrid materials
Porous materials
Sol-gel derived materials...

***If you are interested to join the workshop,
please contact to “k_okada@omu.ac.jp”***

Kenji Okada (Osaka Metropolitan University)

Japan Italy Joint symposium

Co-organized by KAKENHI “Grant-in-Aid for Transformative Research Areas A, **SUPRA CERAMICS**”

Osaka Metropolitan University

University of Sassari

International Sol-Gel society
