

Support for Students Facing Difficulties in Continuing Their Studies at U.S. Universities

June 4, 2025

Recent U.S. government policy changes have restricted the ability of international students to begin or continue their studies at certain institutions in the United States, so Osaka Metropolitan University has decided to accept affected students under the following conditions.

1. Eligible Applicants

Graduate students currently enrolled in or scheduled in fall 2025 to enroll in graduate programs at U.S. universities.

2. Available Graduate Schools

Details on the graduate schools accepting such students will be announced soon.

3. Enrollment Status and Start Date

Students will be accepted as regular students, with enrollment beginning in the 2025 academic year semester starting September 24, 2025.

4. Tuition and Financial Support

Financial support options are under consideration and further information will be announced at a later date.
