

Bicycles must travel on roads and not on sidewalks.

Travel on the left side of roads.

Pedestrians have priority on sidewalks. Travel on the roadside.

A bicycle is also a vehicle

Let's follow the traffic rules

Wear a life-saving helmet

From 1st, Apr, 2023, according to the law, every person must try to wear a bicycle helmet when bicycle is used.

There are many cases of cyclists getting involved in a traffic accident and injuring their head resulting death.

Under the Road Traffic Law,

cyclists are requested to wear a bicycle helmet regardless of their age.

※For all cyclists, please wear a bicycle helmet when using a bicycle to reduce the damage caused by a traffic accident.

If you are involved in a traffic accident...

You must do the following.

- 1 Stop immediately.**
- 2 Administer first aid to the injured.**
Help the injured to move to a safe place, call 119, and administer first aid until a doctor or medic arrives.
- 3 Take measures to prevent further hazards on the road**
Take measures to prevent a series of accidents, including moving vehicles and the injured away from the scene.
- 4 Report to the police**
Call 110.

Reporting the accident

Public payphone

You can call **119** and **110** without paying from a public payphone.

Pick up the receiver and press the red button on the machine.

(Some telephones may not accept this type of call or require a different way of calling emergency numbers.)

Mobile Phone

Dial **119** or **110** on your mobile phone. Be sure to state your location and mobile number.
