

Mini-Workshop on Blaschke Product

Date : November 24 (Thursday), 2016

Place : Osaka City University (Building E of Faculty of Science,
Lecture Room E408)

14:00-14:50 Masayo Fujimura (National Defense Academy),

Complex geometry of Blaschke products and associated conics

15:10-15:40 Akio Kawauchi (Osaka City University Advanced
Mathematical Institute),

Analytic function for all the 3-manifolds via Blaschke product

16:00-16:30 Teruhisa Kadokami (Kanazawa University),

Analytic function for an infinite family of connected graphs via
Blaschke product

16:30-17:00 Discussion
