

OCAMI Workshop on Knots and Related Topics

June 7 - 8, 2014

Osaka City University

(ROOM 301, General Research Building, Osaka City University)

Program

June 7 (Sat) (Room 301 is open at 13:00--17:00)

13:30--16:30 Arnaud Mortier (OCAMI, Osaka City University)

Introduction to Vassiliev's foundational works in knot theory, I

June 8 (Sun) (Room 301 is open at 9:30--17:00)

10:00--11:00 Daniele Zuddas (Korea Institute for Advanced Study)

An equivalence theorem for Lefschetz fibrations over the disk

11:00--11:30 Discussion

13:00--16:00 Arnaud Mortier (OCAMI, Osaka City University)

Introduction to Vassiliev's foundational works in knot theory, II

16:00--16:30 Discussion
